## DAY 1

Depart on your flight(s) to London.

Flights may be multi sectored. One main meal and one snack meal will be served on your transatlantic flight, along with complimentary soft drinks. Movies and audio entertainment will also be available on your transatlantic flight.

## DAY 2

On your arrival in London, after clearing immigration and customs, you will be assisted by the LNYDP meet & greet team in your terminal, who will show you to your coach(s).

You will be taken by motor coach to your hotel.

If your group are arriving on more than one flight, each flight will be treated as a separate group and set off to the hotel. There will no waiting around at the airport.

Your tour assistant will meet you at your hotel. They will have checked in the night before so will be already working with the management to get you roomed as soon as possible.

Check-in time is at 4.00pm, so there may be a wait before you have access to your room and so we will schedule lunch and a walk of the local area.

Your tour assistant will inform you of the time and place for an orientation meeting, where you will learn all about your week in London.

At this meeting, you will receive your special LNYDP souvenir drawstring bag containing all the items you need to make the most of your exciting week ahead. This includes:

- ✳ Your pocket-sized itinerary book which you will carry with you all week. Not only does it contain this detailed daily schedule, but it also has maps and directions

for your walking tours as well as a useful information section. Check out the apps!

- ✦ An LNYDP wallet containing your own Visitor Oyster Card, which allows you to travel on London's underground and bus network.
- ✦ Also, your 'Ticket Restaurant' card that you will be using to purchase three of your dinners this week. You will need to activate your card before you use it. More information on how to obtain your pin number will be provided.
- ✦ A fold out street map of London with an underground section to help you plan your activities this week.

Time permitting, this afternoon you will undertake the first of your audio walks, the Parade Route. We will have already sent you the files for each of the three walks included in your programme. These will have been loaded on to your personal cell phone or mobile device.

At the earliest opportunity, make your way to your nearest underground station and board the train to Green Park station.

As you emerge you will be adjacent to the Ritz Hotel. Walk down Berkeley Street to Berkeley Square, the assembly area for LNYDP and the start of your walk.

Follow the instructions in your itinerary book, while at the same time playing the audio files on your mobile device.

The audio tour will take you along the spectacular processional route of London's New Year's Day Parade, through the heart of Westminster. It features The Ritz Hotel, Piccadilly, Piccadilly Circus, Trafalgar Square, Whitehall and Parliament Square. Learn about the rich history of the area and the buildings along the route, with the added flavour of the pomp and ceremony of the parade.

Return by underground to your hotel.

Your band equipment will already have been delivered to the hotel and placed in your dedicated storage room. Your tour assistant will have a key, so you will have the chance to check that it has all arrived in good order.

If you wish to have a rehearsal in your hotel today or at any other time during the week, you will have had to make arrangements through our office in advance so that it can be included in your itinerary.

Dinner will be served in a private room in your hotel.

The rest of this evening is free for you to acclimatise to London time.

We recommend that you do not go to bed before 9.30pm, so that everyone's body clock is reset before the morning.

### DAY 3

A substantial buffet breakfast will be served each morning in a private room on the ground floor of your hotel at the time indicated in your daily itinerary.

Breakfast is served.

Join your Blue Badge guide and board your coach.

This morning we will whisk you away on a spectacular tour of London's most famous landmarks, including the Palace of Westminster, home of the two Houses of Parliament, Westminster Abbey, St. Paul's Cathedral and the Tower of London.

Soak up the atmosphere as your Blue Badge guide introduces you to over 1,000 years of history. This is also your opportunity to look out for the places you would like to visit during your unstructured time.

There will be a couple of stops for photographs.

Tour ends in Covent Garden.

Lunch at leisure.

This afternoon you will have time to try out another of the audio walks.

Walk to Embankment Station and make your way to the Golden Jubilee Bridge, the starting point for the South Bank Stroll.

You will enjoy a walk along the south bank of the River Thames, which has played an integral part in the history of London. Highlights will be the Royal Festival Hall, the Tate Modern, Millennium Bridge, Globe Theatre, Southwark Cathedral and Borough Market.

Dinner at leisure this evening using the 'Ticket Restaurant' card provided.

Your card will be credited with £60 to spend on three dinners this week, so £20 per meal. Just order from the menu and pay as you would with a contactless credit card. If you spend less than £20 you can use the credit another evening. If you spend more, pay the difference by cash for the amount you owe.

The card may be used in any full service or fast-food restaurant, as well as most coffee and sandwich shops.

Make your own way back to your hotel by underground.

## DAY 4

Breakfast is served.

Join your Blue Badge guide and board your coach.

This morning we will EITHER treat you to a tour of Hampton Court which lies just 20 miles upstream of Westminster on the River Thames, OR you will experience the delights of the county of Oxfordshire with a visit to the City of Oxford.

Arrive at Hampton Court.

This spectacular palace dates from 1514 and was the favourite home of King Henry VIII, he of the 6 wives.

Your visit includes a view of his state apartments and the Tudor kitchens. Up to 800 courtiers could accompany Henry VIII, all needed to be fed. So, the king enlarged the existing Great Kitchen and it became an efficient food factory, serving 1600 meals a day.

Lunch at leisure.

The house was expanded in the late 17th century by London's most famous architect, Sir Christopher Wren and so there is much to see as you stroll around the six acres of magnificent buildings.

The beautiful gardens in their current form were largely created by William and Mary from 1689 and feature the Great Fountain Garden, the Privy Garden and the Long Water, created by Charles II around 1660. The Maze was created at the end of the 17th century.

Arrive in Oxford.

Known as the 'city of dreaming spires', the university buildings and the 39 colleges dominate the centre of the city.

Your guide will take you on a walk in the centre with views of Radcliffe Square, Old Schools Quadrangle (1613), the Radcliffe Camera (1737, a rotunda that originally housed the Radcliffe Library), the Sheldonian Theatre (1664, Sir Christopher Wren's second major building), the Ashmolean Museum (1683, the oldest museum in England) and the Bridge of Sighs (a bridge that connects two parts of Hertford College that looks very much like the famous bridge in Venice).

A highlight of the day will be a timed visit to Christ Church College. Founded in 1546 by King Henry VIII, Christ Church is amongst the largest and wealthiest at the University of Oxford, with an endowment of £596m and student body of 650. Its grounds contain a number of architecturally significant buildings including Tom Tower, designed by Sir Christopher Wren, Tom Quad, the

largest quadrangle in Oxford and the Great Dining Hall, which have all featured in films such as the Harry Potter series and The Golden Compass. The medieval chapel, with the shrine of St Frideswide and its medieval and modern stained glass windows, is a unique joint foundation with Oxford Cathedral and is home to the world famous Oxford Cathedral Choir

The college's alumni include 15 British and international prime ministers. Other notable alumni include King Edward VII, William Penn, seventeen archbishops, Lewis Carroll (author of Alice in Wonderland), philosopher John Locke, and scientist Robert Hooke. Albert Einstein is also associated with the college.

Lunch at leisure.

Time permitting you may wish to visit the Ashmolean, widely recognised as the first modern museum in the world.

Pedestrian-friendly Cornmarket Street is Oxford's busiest shopping street. Along with its many big-brand shops, it's also home to the historic Golden Cross arcade and the Covered Market (1774). Look out for shops that sell the ubiquitous Oxford University t-shirts and sweatshirts.

Re-join your coach and return to London.

Dinner at leisure, using the 'Ticket Restaurant' card provided. Once again you have £20.00 to spend at a restaurant of your choice this evening.

Evening at leisure.

Return to your hotel by underground.

## DAY 5

Breakfast is served.

Meet your Blue Badge guide and board your coach for this morning's tour.

Depart for Westminster Pier.

Board a Thames River boat for a 30 minute cruise, as far upstream as Southwark Bridge, passing the Palace of Westminster and the London Eye, and as far downstream as Tower Bridge. Your guides will provide historical commentary.

Arrive at Tower Gateway Pier and disembark. It is only a short distance to walk to the Tower of London for a visit.

Your Blue Badge guide will join you for a tour of the Tower.

The ancient stones reverberate with dark secrets, priceless jewels glint in fortified vaults and ravens strut the grounds. The Tower of London, founded by William the Conqueror in 1066, holds some of the most remarkable stories from across the centuries. Despite a grim reputation as a place of torture and death, this powerful and enduring fortress has been enjoyed as a royal palace, served as an armoury and for a number of years even housed a zoo!

Gaze up at the massive White Tower, tiptoe through a king's medieval bedchamber and marvel at the priceless Crown Jewels. There are bloody tales to tell; stand where heads rolled and prisoners wept.

The Tower held many famous prisoners from the highest levels of society; some in astonishing comfort and others less so... visit the places of their confinement and read the graffiti left by prisoners from over 500 years ago.

At the end of your visit, re-join your coach and journey back in to the West End.

Lunch at leisure.

This afternoon is an ideal opportunity to undertake the last of your audio tours or to visit some more of London's most popular attractions and to do some shopping.

Make your way to Tottenham Court Road station, the starting point for the London, Rock & Roll Capital of the World audio tour.

If rock music is your thing, then no other city in the world has such a rich rock and roll history as London. All the greats have performed here, from Hendrix to the Stones, from the Beatles to Elton John. A highlight will be the sight of Abbey Road studios and the crossing used by the Beatles for the iconic picture on their album cover for Abbey Road.

To discover what London has to offer, visit our bespoke London Google Map via the LNYDP desktop or mobile sites. The map highlights all of our favourite sites and plenty of hidden gems for those who want the true London experience.

There are eight categories to search, attractions, shopping, evening entertainment, markets, LNYDP team recommendations, restaurant brands and great views of London.

Simply go to <https://lnydp.com/overseas-participants/> to access the map.

Don't miss the British Museum and the National Gallery, they're free! Although you have to pay, a visit inside St. Paul's Cathedral or Westminster Abbey are a must.

The most famous department stores are Harrods (Knightsbridge), Liberty (Regent Street) and Selfridges (Oxford Street), although there are many more wonderful shops to choose from on Bond Street and in Covent Garden.

The most popular places to hang out are Piccadilly Circus, Leicester Square, Covent Garden and the Hard Rock Café (Hyde Park Corner).

Return to your hotel by underground.

Dinner will be served in a private room in your hotel.

Join fellow participants in the private room for a specially arranged New Year's Eve party. Complimentary soft drinks will be served.

Later in the evening, half a pizza per person will be served in an adjacent room to the party.

The music will play until midnight when, after a brief celebration, it will be time to get some sleep before your big day.

## DAY 6

Breakfast is served.

For all supporters, this morning is free for independent sightseeing and shopping. Lunch at leisure. If you have purchased a grandstand seat, please make your own way there, you will find directions and the location of your stand on the ticket. The team of stewards will have clearly marked where you need to line up.

Your tour assistant will lead you to the location of your official group photograph.

Enjoy this unique experience!

At Parliament Square your dedicated coach will be on hand to take you back to your hotel.

Dinner at leisure this evening using the 'Ticket Restaurant' card provided.

Evening at leisure.

Our logistics company will collect the equipment from your storage room. As long as everything is correctly packed, you will not be required to be present.
